This matter comes before the Public Service Commission of South Carolina (the Commission) for correction of Docket No. 97-464-W. This Docket should have been designated Docket No. 97-464-W/S, since it deals with the provision of service by Carolina Water Service, Inc. (CWS or the Company) in the Lake Wylie area. The Company provides both water and sewer service in that area, and the docket number should have been designated to show that.

We therefore hold that Docket No. 97-464-W shall hereinafter be known as Docket No. 97-464-W/S, and any Orders issued previously and subsequent to this Order shall be considered to have been issued under Docket No. 97-464-W/S.
